[www.g-floor.com](http://www.g-floor.com)

Forget expensive and messy epoxy for your garage floor. G-Floor's oil-resistant flexible PVC garage flooring is inexpensive, long lasting, looks great and is easy to install—just roll it out; no painting or floor tiles to snap in place. Cleanup is a cinch; sweep up dirt or, for the big messes, wash down with soap and water.

Several different textures including diamond plate and a circular coin pattern and thicknesses are available in Red Brick, Royal Blue, Forest Green, Slate Grey, Midnight Black, Metallic Silver and Sandstone.

Cost? About \$200 for a single-car garage. Log on to the company's website for more information and a list of retailers.

## PREMIER FINANCIAL SERVICES EXOTIC CAR LEASING

[www.premierfinancialservices.com](http://www.premierfinancialservices.com)

Driving an exotic car has been made a little easier on the wallet, thanks to Premier Financial Services' "Simple Lease" program.

According to the company, approximately 20 percent of all new exotic cars you see on the road are leased rather than purchased.

Premier's Top Five leased cars are:

1) Ferrari F430 Spider, 2) Aston Martin V8 Roadster, 3) Lamborghini Murciélago LP640, 4) Bentley Continental GT and 5) Rolls-Royce Phantom.

What would make a better gift than a new Lamborghini Gallardo (\$2800 per month) or a Rolls-Royce Phantom (\$5700)?

America. You can also download updates and back up your data. Price: \$499.95.

## THE ESSENTIAL BAG FROM GRIOT'S GARAGE

## OAKLEY DRIVER'S WATCH

[www.oakley.com](http://www.oakley.com)

Oakley has recently entered the world of fine watches, and like its sunglasses, the watches are innovative and hip, pushing the design envelope to the outer edges. Two of the hottest are the Crankcase (shown here, \$895) and the Hole-shot (\$725). Both are Swiss-made and feature 13-jewel quartz move-

ments. These chronographs (three-hand versions are also available) feature a stopwatch with split-time functions. They also have a "sports anti-reflective sapphire crystal face," 100-meter water resistance and carbon-reinforced impact bumpers for extra durability.

## AUTO UNION TYPE C V-16 ENGINE

[www.cmc-modelcars.com](http://www.cmc-modelcars.com)

The closest thing to looking at an actual 520-bhp supercharged Auto Union Type C V-16 engine is to view the 1:18 replica created by Classic Model Cars (CMC). Hand-assembled from over 400 parts, this same model engine is fitted to the impeccably turned-out model of the classic mid-engined Auto Union Type C, a car made famous by Bernd Rosemeyer in the 1936 racing season (also shown). This is one of many hand-assembled models available on CMC's website. Auto Union Type C V-16 Engine \$109. Limited Edition Type C Auto Union \$263.
