THE COMPANY

Better Life Technology is best known as the leading innovator and manufacturer of G-Floor® products. Our USA made, high quality, 100% solid polyvinyl flooring solutions are used in various residential, commercial and OEM applications.

Our origins began with a simple goal: create superior polyvinyl garage flooring that not only protected the concrete below, but outlasted and outperformed other polyvinyl products on the market. Our high-performance G-Floor Universal Flooring, G-Floor Trailer & Modular Flooring, G-Floor Outdoor & Marine Flooring, and G-Floor Graphic Print Media deliver individuals, small businesses, retail stores, corporations, and many more, the most reliable polyvinyl solutions at exceptional value.

Today, we are excited to announce G-Floor Sport and our new foam flame laminating capabilities, including Carpet, Vinyl or Fabric foam backed products. Available in multiple sizes, colors and options, G-Floor Sport can be used as a combat mat, home exercise mat, tumbling, cheer or sport mat. As a trusted brand for quality and durability, G-Floor brand is proud to bring you the next generation of sport flooring products.
